Arrival

- The Ellie Caulkins Opera House is the first theater on the left as you walk into the Performing Arts Complex from 14th.
- We encourage groups to arrive and begin lining up in the common area in front of the theater 30-45 minutes before the show. Doors will open 15-30 minutes before the show.
- When you enter, please give the ushers your group name, find an appropriate place to store lunches in the lobby, use the bathroom facilities as necessary, and enter the theater once the house is open to find all seats for your group. Ushers and Colorado Ballet staff will be equipped with seating maps to direct groups toward their seats.
